## **Alumni's Feedback**

**(Session 2022-23)**

The college needs to view students as life-long commitments that do not end at graduation. Alumni are resources that can provide meaningful and mutually beneficial relationships over time. Maintaining good relationships with Alumni is crucial for the success of the college. In this regard a well-formed questionnaire was prepared by IQAC based on different aspects like development in the college in the recent years were appropriate involvement of Alumni in college activities for academically strengthening college further role of Alumni in financially strengthening the college implementation of the suggestions given by Alumni etc. Questionnaire was distributed through google-form. Analysis of received Google-forms shows that majority of the Alumni strongly agreed to the above-mentioned aspects.
