Student's Feedback for Course Content

(Session 2022-23)

Frequent and ongoing feedback is a significant means of improving achievement in learning. Student's feedback has become an extensively used method to assess and enhance the effective teaching along with bringing change in overall ambiance of the college. From it was found that majority of the students strongly agree to the fact that recommended reading material of syllabus was adequate. Some students agree to the fact that syllabus and course are helpful in their progression 82% of the students strongly agree to the fact that teacher covers the entire syllabus whereas none disagrees.
