Department of Computer Science
Computer Science Association

The Department is running a Computer Science Association comprising the students of BCA and B.Sc (Computer Science). It was founded in year 2015. The purpose of society is to develop the sense of team work and leadership in students by organizing the different competitions like Quiz, PowerPoint presentations. Seminars, Workshop, and Lectures on latest topics of Information Technology. All the events are organized and managed by the students themselves under the guidance of the faculty members.

The purpose of association is to increase the confidence level and inculcate confidence, the good habits of writing, lecture delivering, stage anchoring etc. among the students
