Certificate Course : Poultry Farming

Visit to Poultry Farm

**(Department of Animal Breeding, College of Veterinary Sciences,
Lala Lajpat Rai University of Veterinary and Animal Sciences, Hisar)**

The Department of Zoology has started a new certificate course in poultry farming this year to aware the interesting persons about domesticated birds, their importance and techniques used to get benefits from these birds in terms of eggs meet *etc.* Dr Vivek Srivastava is the co-ordinator of this course. This course also develops entrepreneurial skills in youth. Keeping all these strong points in mind, the Department of Zoology had organised a visit to Poultry farm LUVAS Hisar on 21st November 2023.

Dr. Poonam, Incharge Poultry Farm explained the students regarding various breeds of poultry birds *i.e.* Aseel, White Leghorn, Kadaknath, Dhanraja *etc.* (Photographs attached). Students also visited the Hatchery Complex there. They saw various machineries used during incubation and hatching of eggs. They also saw Turkey birds which were kept under backyard farming.

This visit will provide a great opportunity to enrolled students to establish their own poultry farm or they can get employment as a worker in the poultry farm. Dr. Meenakshi Jindal, Dr. Poonam Devi and Ms. Garima accompanied the students during the visit. Mr. Lalit Sharma, lab. staff, Zoology Department also assisted the students.

Subject: Visit of students to Poultry Farm at LUVAS, Hisar

Sir

The students of B.Sc. 1st Year Medical and Biotech. (approx. 70 students) have to prepare a report on Poultry Farming as per the requirement of the Certificate course in Poultry Farming. This farm can be visited at Lala Lajpat Rai University of Veterinary and Animal Sciences (LUVAS), Hisar. Tentative dates may be during November in one batch. You are requested to send a letter to the Dean, College of Veterinary Sciences, LUVAS, Hisar for permission of visit of the aforesaid class.
